

REMARKS

Claims 1-20 are currently pending in the application. In an Office Action dated October 3, 2003 ("Office Action"), the Examiner requested a new oath or declaration in compliance with C.F.R. § 1.67(a), objected to the disclosure due to an image inadvertently included on page 5, rejected claim 20 under 35 U.S.C § 112, second paragraph for lack of antecedent basis, and rejected claims 13, 19, and 20 under 35 U.S.C § 103(a) as being as being unpatentable over Price, U.S. Patent No. 5,932,872 ("Price") and Brigham et al., U.S. Patent No. 2002/0061529 A1 ("Brigham").

Applicants' representative wishes to thank the Examiner for the allowance of claims 1-12 and conditional allowance of claims 14-18. Applicants' representative has rewritten claim 13 to include conditionally allowed claim 14, cancel originally filed claim 14, amended claim 15 to depend from rewritten claim 13, and has corrected the dependency of claim 20. Applicants' representative has, in addition, included a Supplemental Information Disclosure Statement at the request of the Assignee. Applicant's representative believes that all of the claims remaining in the application remain clearly allowable. Favorable consideration and a Notice of Allowance are earnestly solicited.

Respectfully submitted,

Applicants' representative has, in addition, included a Supplemental Information Disclosure Statement at the request of the Assignee. Applicants' representative has amended the Specification to remove the inadvertently included image. Applicants' representative has examined the Declaration and Power of Attorney filed in response to the Notice to File Missing Parts, and cannot find an inventor for which the city and/or state of residence was not included. Applicants' representative provides a copy of the originally filed Declaration and Power of Attorney. Applicants' representative requests that the Examiner identify any missing information to allow Applicants' representative to supply that information in a subsequent response. Applicant's representative believes that all of the claims remaining in the application remain clearly allowable. Favorable consideration and a Notice of Allowance are earnestly solicited.
